**Injury Acknowledgment**

I acknowledge and understand that with dance comes some risk of physical injury. I understand that it is my (or my child's) responsibility to maintain a healthy body (stretching before class, eating a balanced diet, etc). If any injury to my (or my child's) body occurs, or if any other health conditions develop that may hamper my (or my child's) performance, I will notify the teacher immediately and seek professional medical advice.
