Grand Opening A Success!

Miss Marie reading 2 Corinthians 5:11-21 at the grand opening ceremony on August 25, 2007.

The grand opening was August 25, 2007. There was a workshop during the day and a grand opening ceremony that night. Both went great!

Thank you to all those who came! Your support was much appreciated. Throughout this newsletter, you will see pictures from the grand opening. You can also view more pictures on the website at www.rdancestudio.com.

There were many people that helped with the development of the studio, getting it ready for its grand opening. I would like to say a special thanks to those people: my parents—Boyd and Susan Hudson, my fiancé—Kirk Rouser, my brother—Matt Hudson, Fred Tapp, Heather Lasley, Colin Smith, Sheila Richmond, and the landlord—Warren Gates. Many renovations had to occur in order to make the

space suitable for a dance studio; some, of which, included painting and installing a dance floor. The Marley, sprung dance floor in the studio was installed by balletflooring.com, a company based in Rhode Island. The ballet barres came from En Pointe Enterprises, a company in Canada. The mirrors in the studio were installed by Jacob's Glass in Durham. Golden Touch Carpets, Inc from Durham installed the carpet.

Tuition

Please remember that all tuition payments are due on the first of each month.

Family Days

I would like to set up some family days once a month for all the families to get together. Please let me know what day of the week would be best for you and also if you have any suggestions for places we could go or activities we could do.

Birthdays

There are no birthdays this month.

Prayer Requests

~for Chloe's grandmother who is experiencing health problems

~the studio's growth

~the studio to impact the community in a mighty way for God

*Please let me know if you have any prayer requests.

Classes

There are six students already signed up for classes. Please keep praying and spreading the word to friends and family. I am looking forward to a great year.

In each class, the students will learn a Scripture verse. Often the activities and movements for that class will relate to the verse. Please make a point of asking your child what she learned in class that night. You may be surprised at what she tells you. You may even learn something new.
